Miziwe Biik
Aboriginal Employment and Training

Green Thumbs Growing Kids is a community-based non-profit organization bringing gardening into elementary schools, for children to learn about the environment and food through hands-on activities. We partner with a cluster of schools in the downtown East neighbourhoods of Regent Park, Cabbagetown and St. James Town.

GARDEN EDUCATOR – Indigenous Program Co-ordinator

- You'll bring gardening knowledge and experience with children into our school garden programs. You'll help teach children about the land.
- You'll help children learn nouns in Anishnaabemowin or Kanien'keha language, to name the trees and other plants in the garden
- You'll ideally have some experience in one or more of the following: landscaping, tree care, gardening, teaching, greenhouse maintenance, administrative tasks in project management such as supervising contractors and budgeting, managing partnerships
- You'll work 35 hours/week, pay rate \$20/hr.
- Job starts May 1
- Send resume and cover letter BY April 23 by 5 PM in one document to: jobs@greenthumbsto.org
- You must be registered with Miziwe Biik to qualify
- No phone calls please
