# CODING PROGRAM

**8 WEEKS STARTING IN OCTOBER 2019**

We're looking for individuals interested in attending a coding program. Participants will gain experience in:

- HTML/ CSS
- Responsive Design
- & Javascript

This program is geared for beginners to advance their website coding skills to find gainful employment with website creation and design.

**Let us know if you'd attend by contacting Vickie at 416-591-0960**
