Jays Care Foundation Info Session

Attend online

March 3 at 1 PM

Jays Care Foundation, the charitable arm of the Toronto Blue Jays, uses baseball as a tool to empower kids facing barriers across Canada to build character and unlock their potential. Jays Care proudly works in all ten provinces and two territories running community programs to level the playing field for kids facing barriers.

Join us for an information session where Jays Care staff will discuss how the Foundation operates, what it is like to work there and what career opportunities are available. There will also be information on best practices for applicants and an opportunity to ask questions to Jays Care staff about their experiences.
